

## \*IMPORTANT INFORMATION\*

- \* There is a **\$20.00 non-refundable registration fee** for each student. Fees are used for program supplies and snacks.
- \* **Payment-in-full is due at time of registration.** All workshops are at no additional cost. Payments are for the summer field trips and a one-time registration fee.
- \* A parent or legal guardian **must** attend registration in order to register their child.
- \* **NO** refunds or credits issued under any circumstances. A refund is given **only** if Project Excel cancels a trip due to bad weather or if less than 5 youth sign up for a trip.
- \* Lunch is not provided by Project Excel. Students will need to bring a lunch each day.
- \* Daily snacks are provided by Kids Café-America's Second Harvest.

*Project Excel is funded through the Town of Huntington, New York State Office of Children and Family Services, the Suffolk County Youth Bureau, the Huntington Arts Council, The Women of the Greens, various grants and donations.*

## Description of Programs

### Myth Busters

Explosive fun is waiting for you! What is science and what are special effects? Find out in Excel's take on the interactive fun hit T.V. show.

### International Cooking

Learn how to make fun and easy dishes from around the world and compete against your fellow participants in Project Excel's Iron Chef.

### Virtual Field Trips

Learn about the outside world. Travel to museums, exotic islands, and even outer space without leaving your seat!

### Don't Drain your Brain

KICK peer pressure, high risk situations and more! Explore the unbelievable facts about how the human body reacts to difficult situations through exciting and interactive activities.

## Description of Programs

### Let's Talk

Have a lot on your mind? No Worries! The "Lets Talk" program will cover everything from effective communication, tips to de-stress and fun team building activities!

### Animal Planet

How fast can a cheetah run? What's the difference between an alligator and a crocodile? Find out the answers to these and many other questions during Animal Planet.

### Video Productions

Lights...Camera....ACTION!!!! You make the movie from beginning to end. Learn camera techniques, scriptwriting, directing and editing— video production from start to finish.
