Join us at the BAPS Charities Walk! This annual event is more than a gathering; it's a platform to unite for the greater good and make a lasting impact. By participating, you're not only embracing a healthier lifestyle but also joining a community dedicated to the joy of giving and helping others. Your involvement is crucial and every step you take makes a difference.

This year we are supporting our Local Organization **The Huntington Youth Bureau Institute**. Let's Walk & raise funds to support the growth, development and well-being of youth in the Town of Huntington through programs and services that are responsive to the needs of youth, their families and the community.

Seize the chance to contribute to a brighter, happier world. Register today, bring your friends and family, and let's stride towards positive change together!

The BAPS Charities Walk will support various charity activities throughout the year in 85 cities across North America.
